The team captained by Biagio Pitruzzella beat Yarra View 5 and 3
Congratulations to the players who were part of the team and all those that helped.
The pennant flag on display in our Clubrooms was a great touch.

27th.June 2004 Winners were: - Billy Linton. 9 Holers: - Ted Szkuta.

Just a few comments on some of our recent winners, Lachlan beat a top field to win
the monthly medal then continued his form to win A grade at
Melbourne Airport course, we oldies know it as Tullamarine.
Terrific to see Chris McManus back in the winner's circle, Father Dowling and Denis
Pagan rang me to convey their congratulations on his win.
Ted Szkuta continued his run of victories, is it his new haircut and colour or the fact
the Cats are / were doing so well.

The real big news. Dean Mortlock has recovered and is back playing golf; he
attributes his speedy recovery to the TLC from Nurse/Matron Olive and good red
wine.

Talking of back again, Darren is back from OS and keen and eager to look after us as
he always does and saving his TIPS? to travel again ASAP.

I have said it before and I repeat my statement "Robin is not allowed to miss any
Sundays."The first week he was missing, the President spent all night making the soup
but he and James ate/drank it all, Paul Telford who loves a bowl of soup, did manage
to get a bowl [of soup, we are not playing cricket] Richard G. started the old argument
about skinless hot dogs. The next week was just as bad; how can you burn soup?

Chris Maragos is leading the Alpha –Bet sweep by a mile and Raj Sebastian and Len
Oates [veterans] are fighting it out for last position.

Jon Hilton and Billy Linton welcomed our newest [first?] social member to the club
and we are pleased to see our favourite Tram driver back on the golf scene; just a
word of warning to one of the welcoming committee, you will not avoid your birthday
celebrations next year JON.

The Match Play has reached the very interesting stage, the Captain of the winning
Pennant side is very confident
