The Hillbilly Dove Masters has been played and won by a team that beat the Raging favourites who tried every trick possible, even lining up good players and then dropping them/she when another player became available. The winners were Chris Maragos, Craig Coffey, Tony O'Brien and David Lucas. Jack Breen won the 9hole event

Results: - Sunday 14th November: - A&B Grade Italo Marcantonio.  
C&D Grade Len Crooke.

Sunday 21 st. November: - Pairs Aggregate Championship.

A&B Grade Jon Hilton & Billy Linton  
9 holers Tony McMahon & Robin Hamilton.  
2005 will be the year of grey power.

There was some dispute over the 9 hole winners but with both players over 6 foot who is going to argue with them?

The Elections have been held, congratulations to those elected and welcome to the new Committee members, Denise Hilton, Chris Maragos, Jack Breen and Graham Bryant, who has taken on the big job of new members liaison Officer, one of Graham's better quotes " I would not play in this rain but if I was out there I would play". Darren said thank heavens he is off my back and giving Graham a serve for a change, it will be Mich.Lawn's turn next.

Bernie Convery will be missing for a few weeks, he is setting out on the big Victorian Bike ride. One week to ride and two weeks to recover, at least he is having a go. Richard Ghiller will be missing also; we are having troubles with those teeth again And Colin Chua has gone back to Singapore to tell them about his championship win.

Presentation night is almost with us and a word of warning.

Marg. [Marjorie.] Wearne will be there and she wants dancing partners. Chris McManus, Robin Hamilton, Lachlan Winnall and her grandson Aaron have all agreed to partner her in a few turns around the floor.

Gary Chappell weighs in at 90 kilos, without the mullet he would weigh 72kilos. There are two new nicknames circulating, Robin has bestowed Denise Drysdale on one poor female and Billy Linton calls me S.O.B. Shifty old Barsteward, I think that is what he called me.

Health & Safety has hit Royal Park with Robin wearing the correct gloves for serving food.

Well done Jon and Billy for having a round with the juniors, I wonder who learnt the most. On reflection I think they are the only kind words about Billy to appear in my newsletters.

Great to see Italo having a few rounds with us again, as a bonus this week his better looking brother Tony paid us a visit and despite a bad back, still managed to beat Italo.
