The Junior pennant is with us again and we have struggled to field a side but with a great win against Craigieburn we showed we will be competitive, losing a top player Brendan Goldsmith with a broken wrist did not help us but Michael Cummaudo came out of retirement AGAIN.

Feeding the hungry players and supporters was always going to be a problem but once again Robin showed his class, Jack Breen stepped up and cooked and appointed Mick Kelty as his Apprentice with Richard Ghiller as no2 cook and Microwave expert.

A warm welcome to Greg Gill, John Duffy and a born again golfer Shaun Murray.

The club is going through a financial crisis mainly because Denis Sweetnam has been off the grog for 6weeks 5days and 12 hours plus Waxy put himself in Detox and Jon Hilton has only time for a can of Fanta before he heads off to fulfil his social engagements; more on Jon, there is a story that he received a standing ovation from a small group of Golfers as he walked towards the Clubhouse.

Con Kapetanakis has won the award for the snappiest dresser the last two weeks but Sandro still shows him how to play golf with an amazing three weeks of winning golf. We celebrated Andrew Doveys 50th. Birthday. Billy, did Andrew shout?

Michael Lawn is busy making Birthday cakes with Darren [5/3/05] and Graham's [8/3/05] coming up.

A classic Jon Hilton quote" There are two types of people in life, those that want to get their handicap down & those that hate losing a stroke"
