

Some recent winners: -

13/3/05 Stroke Foursomes: - A&B grade - Jon Hilton & Mr B Moloney. Great to see Jon have a win, his partner gets the full title because he is a sponsor. 9 Holers - Ted Szkuta & Tony O'Brien. Ted was exhausted, carrying Tony for 9 holes.

20/3/05 Par A&B grade - David Lucas. What can we say about David that he has not told us again & again? 9 Holers-Dean Mortlock. Hope you remember the red wine label you drank the night before Dean.

27/3/05 Stableford-4 Ball Multiplier. A&B grade- Craig Coffey & David Lucas. Out & out champions those two. 9 Holers-Denise Hilton & Jack Breen. Denise modestly admits she carried Jack. Jack's golf has not been the same since he became head Chef.

3/4/05 Stroke 2nd. Monthly Medal: - A&B Grade Rob. Ternes. What a champion golfer, when his mate Peter Mcleod is not around. 9 Holers – Tony Gaskell. What a golfer Tony would be if he was a regular player. The two monthly medal days, the 9 holers events have been won by Tony's. So lift your game Tony O'B.

There is a moral here; the beer crisis is over with both Denis & Waxy back on it & they both won events on the 27 February.

The golf club wish Darren all the best in his new venture & thanks for the help you have given me, you were always good for a line or two in the newsletter. Taking care of us was good training & we only hope you have more success getting them to sign in.

Gary & Kylie the price of a can of Coke is still a \$1.50 to you two.

Certainties beaten: A loving couple had a week's golf training around the Castlemaine/ Bendigo area in hope of winning Monthly medals but unfortunately they were overtrained, had a wedding anniversary to celebrate & maybe too many bottles of red.

Two great trivia buffs; Gary Chappell & Jason Gillispie's latest statement: "All polar bears are left handed."
