Results in the paper. GOOD.

What a performance Peter McLeod put on, spent an hour telling us how sick he was and then we heard his score of 41 stableford points.

HAPPY BIRTHDAY DENISE AND LEN.

Raffle winners—Colin Chua, Denis Sweetnam & Olive Sweeney. Thanks to David McCoid. & Happy 65th. Birthday to you.

Colin Chua seems to be winning everything but he will have to behave himself now his wife is back.

Jack Breen copped a penalty for wearing his cap in the Clubrooms, The penalty is he has to cook for the next two weeks, still on cooking Tony Gaskell provided a new taste sensation 'Furry Sausages' and then produced another dropped dish but Rob.A did not mind as he chewed away. Wanted. Someone to look after Andrew Dovey while Gran-ma is OS celebrating her 84th Birthday.

The pennant selectors are under fire. Keep Richard G. & Jon Hilton in the team, seems to be the main complaint especially from Richard & Jon.

One helper I forgot to mention was Jim Murphy who does a terrific job helping Robin clean up, not only a good golfer but also the spitting image of Jim's mowing man & he no longer crushes cans. Browyn was let off lightly because Henry and Wally did not eat much.

Chris J won the Alpha-Bet sweep with Jack Breen second & Len Croke last, like his football team; Con K stirred a few Blues with his wearing of the Tiger jumper.

Congratulations to Alex Austin on winning The Junior Medal
