Congratulations to Julie who won her first nearest the pin on the 1st. Olive Sweeney set some sort of record by winning the three nearest the pins on one day.

Chris Maragos in his usual modest manner would like it known he won his match play. Chris is running a knock out Footy tipping contest for the Club & there are 7 million left in it.

David McCoid's story, he ordered a snack but with his teeth out& his Sunshine accent, he finished with Vegies not Wedgies.

Henry & Wally visited us again, they only bark when they see Jim Murphy, who looks after them & walks them for miles.

A huge crowd gathered around James Holmes as he tried to get from the 5th fairway to the 7th green. Ask James the result.

Jack Breen is still wearing the scars of his altercation with a huge pot plant.

A standing ovation was given to Kevin Anderson who has become a proud GRANDPARENT [his spelling] of Estelle.

The Alpha- Bet sweep leader is Len Crooke with Graham Bryant last; well done Richard & Rosemary. Thanks for all your checking of the race results.

We are not worried about the Caffeine drug problem but there is one Golfer using a performance-enhancing flask but how do we get a sample?

Robin is back & don't the hot dogs taste better.

The trivia night is well on the way & the members seem really keen. The President will punish us for the next 5 weeks. Any small donations for prizes will be gladly accepted. Contact Len Crooke for more information, we won't let Len down, this is one way we can repay him for all the work he does.

Friday 12TH AUGUST AT 7.00 PM

The computer spell check went berserk when I typed in Con & Biaggio names but we are still trying to work out the best player, both have told us one carried the other. Dennis Sweetnam & Kevin Anderson has changed our drinking habits, Carlton Draught will now be available for consumers but I don't think the 9 holers will alter from VB.

The theme for July. Repair Divots & Plug marks
