24/7/05 Stableford Championship,  
Gary Trevena Memorial Shield.

Con Kapetanakis [15] 75 points in a play off from Peter Mcleod.

-----

9 Holers: - Jack Breen's "Rhubarb" Trophy.  
Denise Hilton [18] 39 points.

The 5<sup>th</sup> Monthly Medal play off between Brendan Goldsmith & Chris.Jovanovic has yet to be played.

Denise also won the Newsletter golf ball for the second week running. I may ask Jon to re-handicap her to a shot & a half for that hole but I won't talk to him if the Bulldogs have had a win.

Brendan Moloney claims he has set the 18-hole world record for Dummy spitting. The recent Pies vs Dons game caused dissertation in the Pro shop, we wish they would cut the bitching & order some Ladies golf balls.

David McCoid does not want any publicity about his Tow Truck .Any more business & he will not have time to play golf. Well-done David on the donated prizes for the Trivia night.

Tony Failla has joined the Veterans & plays every Wednesday. He said it is a new experience being beaten by blokes aged over 80.

Three Newsletters ago I wrote Sandro was giving Con K. lessons on winning but the tables have turned, It is Con giving the lessons now but on Thurs. Sandro claimed he is getting backspin on his WOODS ?? I would give Barry Coley a special mention for his Secretarial duties but Barry has the most miss-spelt name ever.

Our dashing Vice president, Chris Maragos made a welcome re-appearance, too hung over to play but started his apprenticeship as a junior, temporary, part time Barman.

Happy belated birthday, Christine; Jonathan told everyone he had to rush away to assist with the celebrations, James assured me HIS BIG PRESENT had been purchased.

David Lucas won the Eagles nest but a big donation saw us still with most of the balls. Well done on both counts David.

Another top effort by Jack Breen, who stepped up when a cook was needed & as we welcomed two new members, Phil McCartney & Tommy N, Jack conscripted Phil as assistant cook.

The Alpha- Bet sweep winner is Len Croke with Graham Bryant last & Len is chasing the money.

The trivia night is well on the way & the members seem really keen. Any small donations for prizes will be gladly accepted. Contact Len Croke for more information. Slight worry about Dean & Olive's table, they want to be known as "The Walsh St mob" but I realise there is a Walsh St. near the Market.

**Friday 12 TH. AUGUST AT 7.00 PM**

Police investigating the murder of Juan Carlos said he was killed by a  
golf gun, a gun that made a hole in Juan.
