Our web site www.rpgc.org.au.

31/7/05 Canadian Foursomes Championship,
Andrew Fowler-Brown Memorial Friendship Trophy.

A good crowd turned up to pay tribute to Andrew, a former player, committeeman & good friend.

Winners were A & B grade: - Sam & Adam Commando [15 ½] 59 ½.

9 holers :- Ian Convery & Tony McMahon. [26] 33 .

Sam did a great job getting all the relations together for the day there were Sons, Son-In-laws, Out-laws & By-laws. When all the presentations were made, the Newsletter presented Dennis with a golf ball from Alaska which he loved and used the next Sunday. Julie Mc McAllister also celebrated her birthday that week & is very pleased with her new golf shoes from Bernie; Julie also won our ball this week.

Happy Birthday Bronwyn for this Saturday.

6th Monthly Medal winners were Billy Linton & Dean Mortlock.

Billy was his usual modest self until he found out Sam was a close second.

Dean beat 3 runners-up, who would have tested his wonky knees if we knew he was going that well.

The Moonee Valley Tabaret is still a terrific meeting place for Royal Park golfers recent sightings include Richard & Rosemary Ghiller, Robin Hamilton & Margaret, myself & Nancy & son Tony, John Curry with the full racing gear, binoculars & Reefer jacket, Ex-pro-shop Darren & Kevin Coombe.

A wondrous sight, Jon Hilton lovingly caressing & reading the print off the prize winning bottle of Cognac that Sam & Adam won.

Not to be out done by Kevin Anderson, Rob. & Lorraine Ternes are proud GRANDPARENTS of a bouncing baby girl Tayla.

14/8/05 Winners of the 4 Ball-Best Ball Shields were :-

A & B Grade :- Jon Hilton & Bernie Sheridan.

Terrific to see two Bulldog supporters combine to have yet another win.

9 Holers :- Len Croke & Jonathan Holmes.

What can I say about these two champions that they have not said themselves?

Olive's beautiful soup that she produced last Sunday is the only reason I won't mention her putting, Olive had problems with Dean who wanted to put red wine in the soup; not the good wine that Wine Clearance Centre sponsored for our Trivia night. There is no truth in the rumour that a golfer / Carlton supporter was seen trying to put the soup in a beer can. Two veterans, Len & Richard took over the soup duties, Len with his stirring [which he is an expert at] & Richard serving.

The first time ever that our after match social drinks stopped for a horse race.

Bad luck Chris & Incinerator.

The Trivia night was a great success, well done Len & ALL those that helped.

A protest has been put in regarding the overall winners.[1] you don't recruit people with brains, our table proved that. [2] you cannot be overall winners, no one in that group has ever worn overalls.

The table that finished last were thrilled but then we found out they received a free Jug for that honour.

Italo please play for the next two weeks, the Blues have won the last two & we need you to keep attending.

No joke/trivia this issue, I am hurt . Not one comment about the joke of the year & me mate Juan is dead certain to say something.
