21/ 8 / 05 Holden Scramble winners were David Lucas , M. Collins & A Brown. Runners –up were Jon Hilton, Billy Linton & Andrew Dovey. Third place went to Len Croke, Lachlan Winnall & Richard Ghiller.

Three teams fought out a tight finish but congratulations to the winners; they ignored the chant of ring-ins etc. & will now proceed to the next round, Richard Ghiller had a new, novel excuse for a good round spoilt by a young lad pinching his ball, well that's his story. Richard was later caught trying to eat the Ceramic Cucumbers off his plate, Thanks Andrew Dovey for making sure I did not miss that bit of scandal.

Last but not least the meal was terrific, cooking terrific and the bar service poor as usual & all work done by the 9 Holers. Well done Olive & Jim M.

Good to see Alec Austin. Steph. & Hodgie make welcome re-appearances.

Hodgie has completed his training in putting windows in upside down

28/8/05.Father & Son Shield winners were Vic & Richard Ghiller & in true Ghiller fashion, Vic said he carried his old Dad.

Bernie Convery won the 9-hole event beating his partner Julie on a count back, which was not a good move in my opinion

No mention will be made of Sandro & Con, having a huge mental block//black out.

4 /9 /05 7th. Monthly Medal Winners :-

A & B grade Italo Marcantonio 78 [ 19 ] 59 nett.

9 Holers Jack Breen 36 [ 14 ] 29.

Just before his acceptance speech & all the Bandit / not eligible cries had finished, Italo stood in front of the mirror running his hands over his head saying, "Look at this, 45 years old & not a grey hair on my head".

Tony O'Brien won his way into the final of the match after a long struggle against Sam Cummaudo. Tony's victory was made possible by Denise doing the result book for him. Sam seems to be a permanent runner- up these days.

Jack Breen is now known as St. Jack. He completed his best 9 holes ever & then offered to go & buy some Savs. to feed the starving golfers.

David Lucas reminds all the players going on the trip, the deposits must be paid by next Sunday 11 / 9 /05. Jon Hilton is quite proud that he was the first MALE to be on the list to go.

Peter McLeod celebrated his 60<sup>th</sup>. Birthday in fine style two weeks ago. Well done Peter.

John Duffy has joined my ever-growing list of miss-spelt names, John does not want any curry in his food or name, he just wants to back winners at Moonee Valley Tabaret.

Jonathan Holmes had a bad day, not helped by having 12 on the fourth hole.

I must lose more weight; Sam Cummaudo fronted the bar, looked at me & said "Five Cougars please."

Don't forget to pick up your copy of the local rules from the Pro Shop on Sunday morning & please study & learn our local rules.

The ex-coaches from Strathmore football club, Robin Hamilton, Rob. Ternes, Tony McMahon & Peter McLeod would like to remind everyone that we won two Grand Finals last Sunday.
