Congratulations to the winners & all the players who completed the four rounds & I did not hear one complaint about the state of the course.

Best round of the championships was Rob Ternes who shot 87-27-57, good enough for the Kelly board.

Shot of the 4 rounds awarded to James Holmes whose tee shot on the 9<sup>th</sup>.hole landed on a tin roof in the Zoo.

Best behaved golfer was Waxy who had ladies as his partners for the four rounds, the ladies claim they saved him heaps; no broken clubs, & as part of his new image Waxy purchased a flash new tie that he promises will not be used to keep his pants up.

The A grade & 9 hole champions who shall remain nameless were two players who refused to yield to the Spring Carnival temptations. Marvellous willpower

The Melbourne Cup morning proudly sponsored by Robins' Alpha-bet sweep was a disappointment, only because many players promised but failed to appear.

Len Croke was the winner & his name will go on the trophy alongside some famous Royal Park golfers.

I am now a fan of the sweeps ran by our club.

Thanks to Margaret & Robin for the very nice meal they provided.

John Duffy & umbrella walked the course & rated it fast, Jack Breen was appointed Judge of the Fashions on the course, & he named Len Croke the winner, Len who wore a stunning yellow shirt with black accessories including shorts & socks, finished just in front of Gary Chappell's pyjamas/shorts.

Thanks to Chris Jovanovic for the Ladies nearest the pins & more good news ladies, now you may have a glass of red wine after your round of golf.

We welcomed back Ted Szkuta but I don't know why we bothered, he is off again this week.

Michael Lawn & Andrew Dovey are leading the latest Apha- Bet sweep & three Punters are tied for last place.
