No rest for those two winners, one was serving beer & Jim was burning snags.

The Pennant side have won two & lost two but our next//last two are at home.

No tales from the golf trip but contact "Socks" re the wearing of Skirts etc.

Happy birthday to David McCoid [66 years young] plus the first mention of his goat Charlie , after all Wally & Henry get regular mentions ; no truth in the rumour Jim is running a stall at the market selling all the fish he caught on his trip.

Len Crooke would like every one to know he scored a birdie on the first two weeks ago; no mention of his late arrival last week.

Three years of golf at Royal Park & Hadyn Donahue finally met the club captain. Haydn also won the quote of the day calling the football team that wears red & black "Dads Army".

Special message for Gary Chappell , look what Jason Gillipsie has achieved since he got rid of the mullet.

Laurie Lucas is still the leader in Robins Alpha-Bet sweep & Denise is running last, Robin would like it known he tipped 8 winners last round.

Colin Chua is very happy with his new clubs from "Uncle Ben Hogan "

IF we don't see Jack Breen this Sunday, we will have to organise a search party ; he has been missing for weeks.

Welcome to our new member Alex [haggis] Sneddon & good to see Jason ,
Jane & Justine back playing again.
