Listening to the tales from the trip, you would have to say they had a great time, not many of the stories can be printed but Colin C. & James Holmes were struck by a mysterious Sunday illness, Leo Briones was the golfer of the trip & won the longest drive. Canberra to Yarrowonga is a long drive, hates a drink of scotch does Leo.

Tim Kirley made one of his infrequent visits. Peter McCloud & David McCoid are still on the sick list

Our web site www.rpgc.org.au received 6747 hits [visits] during April, the record is 8000 in March this year, some of the visits [hits] included 1 from Moldova, 15 from India, 3 from Brazil & 2 from Hungary.

Stuart Hutchison, a new member, keep up the good work, he always volunteers.

We have been lax but with the clean carpet.
No golf shoes to be worn in the Clubhouse.
