The pennant team have been battling, won one & lost four.

A shortage of players each week but the replacements did a terrific job.

Lots of NO JEANS jokes before we finalised our teams.

The golf trip must have been a boring weekend, no reports at all or have they all been sworn to secrecy. Two complained about being tired :We were waiting on the 6 th. Tee the following Sunday, Dr Chipp put his head in my lap said he badly needed 40 winks.

Lenny Oates has won Robin's latest Alpha-Bet sweep, he came from behind and swamped the leaders.

Ric Germaine is becoming a regular now that his retirement is fast approaching.

Quote from Waxy after another big North victory "I do my recovery session at this bar, another one please Graham."

Bernie Convery has finished his World ?? travels, "Starsky" Hutchison has also made a comeback, Jon & Denise are back from their Tassie estate.

Peter [ALAN] McLeod is having trouble keeping his wife Maylene away from Coles Airport West now she has seen the talent from the golf club that shop there.

Enough has been said about Matthew Lyneham's pants so not another mention.

Good to see Sam Ward caddying for the pennant side, Sam's quote "No good stopping home watching the Hawks win again on the replays"

Please be patient with us until we sort out the Sunday booking problems.
We can book in by ringing Graham Bryant ONLY on his mobile 0422 973 044
Thanks Graham.
