Not only is Tom winning trophies but he has had a suggestion passed that we have a putting competition each Monthly Medal day, just put your putts on the scorecard.

Tom is proud of his sponsorship by the Aust.Wool Board.

Talking of scorecards, make sure your card is filled in correctly and as neatly as possible.

Jon Hilton, the good Sam Cummaudo, Jonathan Holmes and David Lucas are going to claim all the credit for the successful Pure Blonde month. Tony Gaskell had the honour of the first tasting and has become a convert, no more green cans for he or Rhiannon who apologises for her absence she is busy painting their mansion and loving every brushfull she puts on the walls.

Dr. Chipp is back and spending time chipping and putting, Peter McLeod has returned from his world trip. Chris J. back also but no training for him, he just collects money from Robin's sweep: great to see Robin and Stevie pay us a visit and terrific to see Santo Caruso playing his once a year game.

Jon and Denise are spending a month in Tassie working on their vegetable growing business.

Robin's sweep No 55 has been completed and the winners have been paid.

No. 56 starts Saturday 11th. There will not be a Cup day event this year; the attendances have been poor the last three years.

Happy Birthday Bronwyn, Lets hope I can keep the secret of how young/old you are. Continuing saga of Barry's Vets. Career, he won the no handicap [yet] event again.

Help Chris Meegan, he is worried about the lack of numbers.
