Some people have asked where Jack Breen was but I read the papers and
Whispering Jack was in Sydney.

Who is this bloke? He works in a bank, is a soccer referee, cricket umpire,
barracks for Collingwood, tries to play golf and is a Tasmanian: What has he got
going for him?

Tony Gaskell does not have a mobile number at the moment so don't ring him,
ask him about maintaining their perfect record at the
St Kilda Festival.

The old firm of Denis and Kevin A. have teamed up again without any success,
Denis admitted he had a dream [nightmare] about me, which is a worry to me.
Mother is still in the running for Billy's shot of the year : At this stage it is Denis
and Biagio. A tip from Billy, if you hear FORE screamed out, don't turn and
face where the scream came from. Ouch.

The same tipster now has a part time job, installing T V's.

The Club presented Denise Hilton with flowers and a plaque in recognition of
her outstanding contribution above and beyond her secretarial duties.

Denise assured us she will continue her golf.

A minute's silence was held in respect of Denis Garwood who passed away
recently, Denis was a life member of Royal Park who served on the Committee, a
very golfer and a gentleman.
