Tony put in a protest “ If he does not cook he cannot claim the prize ”.**

A resounding victory to the President's team.

The unshaven President was modest in victory.

How does he find time to play golf with all the other sports he is involved in ?

Why was everyone congratulating Bojangles on how well he looked?

Great to see Chris Meegan back playing golf again.

Jonathan Holmes is back from cruising the world.

Bad luck for David Lucas, hope your knee injury is not serious.

Barry Coley likes Jimmy Chan because he calls him Mr. President.

I met Barry and his lovely wife at the Nova cinema recently but Barry was nowhere to be seen when the Tickets had to be purchased.

Presidents have to delegate.

We think “ Socks “ is back at work but it was good to see him around the Club.

Jon and Denise are in Tassie, we hope Jon meets up with his gay barber and Denise finishes all the weeding.

Phil McCartney and Craig Coffee are former players making comebacks.
