

Royal Park
All Stars Team 2006

Backs.

J. Hilton J. Breen. P. McLeod.

What a tough, tight, mean, nasty full back line. They will not let anything through. Len Crooke would have fitted into that line also but Jack has done such a fine job he has the position for life. Jon has that presence about him, no one goes near him, even when he is just barracking. All Peter knows about football, he learnt from K. Pridham.

Half Backs.

R. Anderson. G. Chappell. V/ Captain B. Convery.

A very experienced line here with just the one youngster. Go Rob. Bernie overcame injury to make the side & is playing better than ever. Gary is there to provide the dash & also measure up any serious injuries.

Centres

J. Murphy. D. Hilton. B. Evans.

On their day, brilliant. On their worse day, they will still be working hard. Lack of pace a concern but Browyn is speedy, has broken a few records & the occasional Trophy. Denise is there to keep the wingpersons apart. She is the pivot of our side. Jim kicks with both feet [at the same time] & he is the best cook on that line

Half forwards.

K. Anderson. R. Ghiller. S. Cummaudo.

The half forward line all other clubs dream about. We just have nightmares about them. Kevin, we had to fit a demon fan in somehow. Richard, a hard man to keep TAB's on. Sam has lost form completely since giving beer away & drinking water.

Forwards

B. Pitruzello. G. Bryant. C. Jovanovic.

Graham just beat Fev. for the full forward position. He may have a few problems, as Biagio & Chris are both round ball experts. Chris finally agreed to wear team shorts not the usual Pink or Yellow ones. Biagio. Hope they don't put the one armed golfer on him.

Rucks :- B. Linton. Captain. R. Ternes. Rover :- D. Lucas.

Billy's a typical Collingwood 6 footer, cheeky, tough & can't play football.

Rob. A great coaching career, pity he never learnt to play the game.

David's form slipped over the Cup season but after drying out is BACK.
