Richard Ghiller received a terrific reception when he made his comeback to Sunday golf, he and Jack Beyer form a very strong team and may I say they both hit straight up the “ guts “, another great team ??? had a hit together, Max Norman and Graham Bryant.

The President's side were comfortable winners against the Captain's team.  
Happy 50<sup>th</sup>. Birthday Margaret [Maggie ].

Hidden Valley has become a notorious Saturday golf game, some awful golf has been played there and the drip tray can tell some tales : don't worry Sam, you will not get the sack because you had such a good session that you forgot to get our beer.

Anybody that has been out of the country or has gone deaf, SAM CUMMAUDO won the first Monthly Medal.

The Chicken run has been going strong but the extreme heat has forced some cancellations. Thursday 5 PM.

My plea for some assistance has worked fairly well; Jack Breen has been spoilt with Jon H, Denis S and Sam C having a go at the book . Tom Spasevski, Ric Germaine and Yes Jonathan Holmes have been sighted buttering the bread, Ric also has a go at washing the dishes but don't tell Maggie.

Little “Bojangles” is progressing well, Mum and Dad are also going well, Dad has been getting plenty of SUNDAY sleep ins, Refused to answer the door when Matt L was a-knocking.

Robin's sweep; - Leader is Denise Hilton closely followed by Steve Hocking. Denise made a fleeting return to golf, selected two young gun players and has not fronted back since. Brendan Moloney played 18 holes and was pleased with his health and form, Kevin Anderson has been sighted on the course, Injury has forced him to play a modified game, he made up the rules and beat Denis and Chris M. Christopher Wright was not happy with the American football results, his hero Sav Rocca's team was beaten.
