

CHALLENGE MATCH.
2007 ALL STARS VERSUS THE DREAM TEAM

ALL STARS side. Non-playing Coach Barry Coley.

Backs

John Duffy Jack Breen Greg Gill

Very little INTEREST here. A tough tight mean nasty fullback line of ex bankers, they give nothing away. Jack is there to set an example & keep the bad language to a minimum. Hope the ground is nowhere near a racetrack; his two little tellers could lose INTEREST.

Halfbacks

Anthony Baldesso Rob Anderson Daniel Baldesso Vice-Captain

I feel sorry for Rob when the coach screams out “ pick up Baldasso”& he yells out “ Which one? ” The selectors had to keep Anthony & Jolanta apart. Daniel becomes a vice captain because of his leadership qualities & helping Jack with the match results.

Midfield

Jim Murphy Denise Hilton. Captain Chris Jovanovic

The centre duels could be a little fiery, Denise has had another top year & her pace & skill could be matched by Sam’s aggression. Denise has modelled herself on E.J.Whitten.The wingers are quite, well-behaved players, always immaculately dressed & always sober, in fact future Brownlow medal winners.

Half forwards

Tony Gaskell Tom Lawless Tim Kirley

What can you say about this line? Nothing much. They could fire up if Tony has a quite night & can find the ground. Water girl Rhiannon bringing drinks to Tony is something he is used to. St Kilda would have to win for Tom & Tim to play well. Tom was a world champion Fun runner.

Forewards

Alex Walsh Warren Prior Chris Meegan

Alex will be keen to do well against brother Miles: if Warren can kick as long & as straight as he putts, he has the position for life or until his next bad game. Chris Meegan, a first year player has a lot to prove, after all he is a Magpie fan, an Irishman & has a son ready to take his place.

Rucks

David Lucas Rob Ternes Rover Billy Linton Vice- Captain.

We were hoping to get one good game from David before the Spring carnival. Rob Ternes taught juniors how to play football now he teaches Carpenters how to Carp. No need to say how good Billy is, he has told us often enough.

Water girls :- Rhiannon & Julie ??

Inter-change :- Not enough game time :- Jonathan & Jonno Holmes, Ian Convery, Ric Germaine. Waxy. Mark Nugent.

First Aid :- Doctor Chipp & Gary Chappell [second jobs] If they can’t cure you, Gary will get you into Fawkner, Greg Gill will provide the flowers & Margaret Hamilton is famous for her floral arrangements.

Match Broadcasters. Phil McCartney Denis Sweetnam.

Unavailable/Injured. Chris Maragos Equine Flu. Bernie Convery. Achilles heel.

James Holmes won’t get out of bed. Kevin Anderson bowls. Don Wookey. Shoulder.

CHALLENGE MATCH.
2007 ALL STARS VERSUS THE DREAM TEAM

DREAM//nightmare team. Non-playing coach Gary Chappell.

Backs

Miles Walsh.

Peter McCloud.

Richard Ghiller

Walsh v/s Walsh another great duel plus Miles has to help the two geriatrics he has as teammates? Peter & Richard are both proud Grandparents. Richard will be showing his Life Members Medal & Plaque & Peter will be wearing his B grade Champions medal.

Halfbacks

Biagio.

Jon Hilton.

Stuart Hutchison.

Biagio must have a bread roll plus his Cashews & Peanuts before he starts, Jon claimed last year he was too good to be a back pocket, lets see how he goes in a set position. Starsky will cop plenty.

UMPIRES Harry & Jack Beyer. Boundary umpires Santo Caruso & John Beyer.

Umpires advisors: - Ken Pridham & Alex Sneddon.

Centre line

Bronwyn Evans.

Sam Ward

David McCoid.

Sam has overcome his white line fever but has lost some pace, due to wearing all those Monthly Medals around his neck. Bronwyn is a problem, won't get out of bed or leave those two dogs to come to training. David has to decide, is he a golfer or a lawn bowler? Chris J. says neither.

Half Forwards

Mark Baldasso

Jolanta Baldasso

Ricky Baldasso

What a classy line up, don't bump Mark or Ricky or you will have Jolanta to answer to, great sports persons but we have not heard how good the boys are with the oval ball.

Forwards

Colin Chua.

Graham Bryant.

Sandro Basile.

Graham is a worry, he never trains or practices but Sandro has speed & skill & knows how to build a sports car & we hope Colin will keep Chipping away, in between his Taxi driving.

Rucks

Robin Hamilton Tony McMahon Rover Sam Cummaudo CAPTAIN.

Two-ex VFA star ruckmen, Robin won the rising star award in 1805 & Tony still has his lace-up jumper & cap from the 1800's. Sam is the best Lalor footballer ever; his duel with young Linton will be a highlight.

Inter-change. Need more game time. Ian Fyfe. Bernie Sheridan, Leo Briones.

Mathew Lyneham, Laurie & Roy. Haydn Donohue.

Match reporter: - Brendan Moloney. Crowd control: - Drew

Not good enough to get a game. Chris Judd, Lance Witnall. The Port Adelaide side, any Collingwood player. Caroline Wilson.
